Mr. Ed. Gottlieb,
509 Market St.,
Philadelphia, Pa.

Dear Gottlieb:

First of all I advanced Mo Harris \$7.50 on May 30th, which I had overlooked until I worked on the books, this amount is due me.

Now about the game The Stars are scheduled to play here August 6th. It is for the benefit of The Community Hospital here, and we have to play for a flat rate. I think \$150.00 will be fair, will that be satisfactory to you? About our other scheduled game Sunday, August 4th The Urban League here is giving away a Electric Ice Box at that game, they have been selling chances for 10¢. It should help the crowd some.

Did Mike send the cards to the Eastern Shore yet?

Very truly yours,
